Seclusion and Restraint

Emmaus Lutheran School believes a safe and healthy environment should be provided in which all children can learn, develop, and participate in instructional programs that promote high levels of academic achievement. As an Indiana accredited non-public school, state law requires that our school have a Seclusion and Restrain Plan. The purpose of the plan is to insure that all students and staff are safe in school, and that students who may have behavior crises are free from inappropriate use of seclusion or restraint.

Behavioral interventions for children must ensure all children are treated with dignity and respect. This environment should allow all children to be free from physical or mental abuse, aversive behavioral interventions that compromise health and safety, and any physical seclusion or restraint imposed solely for purposes of discipline or convenience.

Seclusion or restraint shall not be used as routine school safety measures; that is, they shall not be implemented except in situations where a child's behavior or action poses imminent danger of physical harm to self or others and not as a routine strategy implemented to address instructional problems or inappropriate behavior (e.g., disrespect, noncompliance, insubordination, out of seat), as a means of coercion or retaliation, or as a convenience. Any use of either seclusion or restraint shall be supervised, short in duration and used only for the purposes of de-escalating the behavior.
