

Indiana Choice Scholarships

Beginning with the 2026-27 school year, the Indiana Choice Scholarship program is available to all Indiana families who enroll at Emmaus Lutheran School, regardless of household income. This program provides additional funding for tuition, making a private school education at Emmaus more accessible for students in kindergarten through 8th grade.

The amount of the voucher is determined by the public school district in which the child resides. Estimated vouchers amounts range from approximately \$6,100 to \$7,400 per student, per school year.

Determining Eligibility

Eligibility requirements are set by the State of Indiana. To be eligible, families must live in Indiana, and students must be entering kindergarten through 12th grade.

How to Apply

Emmaus will apply for the voucher for each K-8 student. Parents will be contacted and provide the documents you need to sign once you have enrolled. There is no separate application required.
